

QUINTON METHODIST CHURCH

Guidelines for Attending Church from 10 December 2021

**We are delighted to welcome you to Worship and our Church
Life.**

We must continue to proceed with caution as the pandemic is not over.

Your Circumstances: Consider your own individual risk, clinical vulnerabilities, illnesses and vaccination status. Please stay at home if you are unwell.

Face Coverings.

Please wear your face covering (unless exempt).

It is mandatory in Places of Worship from 10 December 2021.

Hand Sanitisation.

We encourage you to continue using this.

Seating.

We encourage social distancing. If you find yourself sitting next to someone who wishes to maintain distance, please do not be offended if they wish to move. Similarly if you are more comfortable moving, please feel free to do so.

Offertory.

The plate will be retained at the rear of the Worship area, for your Offering as you enter. We encourage the use of the card reader, online giving, standing order, cheque and telephone banking.

Ventilation.

The enhanced ventilation will be maintained.

Movement.

Please leave safely without rushing, and do not gather in the vestibule or other confined areas. Physical contact, handshakes, hugging, etc is discouraged.

Singing.

Our regular resumption of live music encourages singing, and we continue to encourage the wearing of face coverings during singing.

Catering.

We minimise the sharing of items. We will do all we can to enable you to sit where you are comfortable, with a distance from others if preferred.

We wish to remain safe, please help protect others as well as yourself.
