

## QUINTON METHODIST CHURCH

### **Guidelines for Attending Church from 1 November 2021**

**We are delighted to welcome you to Worship and our Church Life.**

***We must continue to proceed with caution as the pandemic is not over.***

*Your Circumstances.* Consider your own individual risk, clinical vulnerabilities, illnesses and vaccination status. Please stay at home if you are unwell.

*Face Coverings.* Out of respect for others, we encourage and suggest that these are worn in the building (unless you are exempt).

*Hand Sanitisation.* We encourage you to continue using this.

*Seating.* If you find yourself sitting next to someone who wishes to maintain distance or is more comfortable if a face covering is worn, please do not be offended if they wish to move. Similarly if you are more comfortable moving, please feel free to do so.

*Offertory.* The plate will be retained at the rear of the area, and we continue to encourage use of the card reader, online giving, standing order, cheque and telephone banking.

*Ventilation.* The enhanced ventilation will be maintained.

*Movement.* Please leave safely without rushing, and do not gather in the vestibule or other confined areas. Physical contact, handshakes, hugging, etc is discouraged.

*Singing.* Our regular resumption of live music encourages singing, and we continue to suggest the wearing of face coverings during singing.

*Catering.* We minimise the sharing of items. We will do all we can to enable you to sit where you are comfortable, with a distance from others if preferred.

***We wish to remain safe, please help protect others as well as yourself.***

**Quinton Leadership Team 1 November 2021.**
